RE: Product Name Change Announcement

Dear Valued Customer:

Please be advised that we are making a minor change to the name of our product STRUKTOL® TR 063. The new name is now **STRUKTOL® TR 063A**. This is a name designation change only - the product, properties and specifications will remain the same. We are modifying all of our internal documents including technical data and MSD sheets to reflect this name change.

Please make note of the change and thank you for your understanding on this matter. If you have any questions please don't hesitate to contact us.

Best regards,
